

? If I were to go to the GlobalDevPro '13 conference, it would be mainly to ...

make new contacts

talk to people about the research they're doing

try to get a job

what, another conference?

get free stuff

? In the next year I want ...

1000 more twitter followers

to get published

to work out what I actually want to do

to go travelling

? My ideal work environment is ...

? My ultimate ambition is to ...

? Do I find it hard to get through the day without tweeting, blogging, updating Pinterest, Tumblr or Facebook?

a busy office with a lively team

out in the field in a developing country

a quiet office with my books nearby

give help where it's needed most

save the world

Yes

No

spend it on travel

? If I was given \$500 I'd ...

? Could I see myself leaving home for more than 6 months?

spend it on software

ask for more

spend it on books

become a specialist in my field

plan my next demonstration

? What kind of software?

? Do I have a postgraduate degree?

Audio/video editing software

Statistical regression software

Yes

No

Yes

No
