

First prize = £5,000

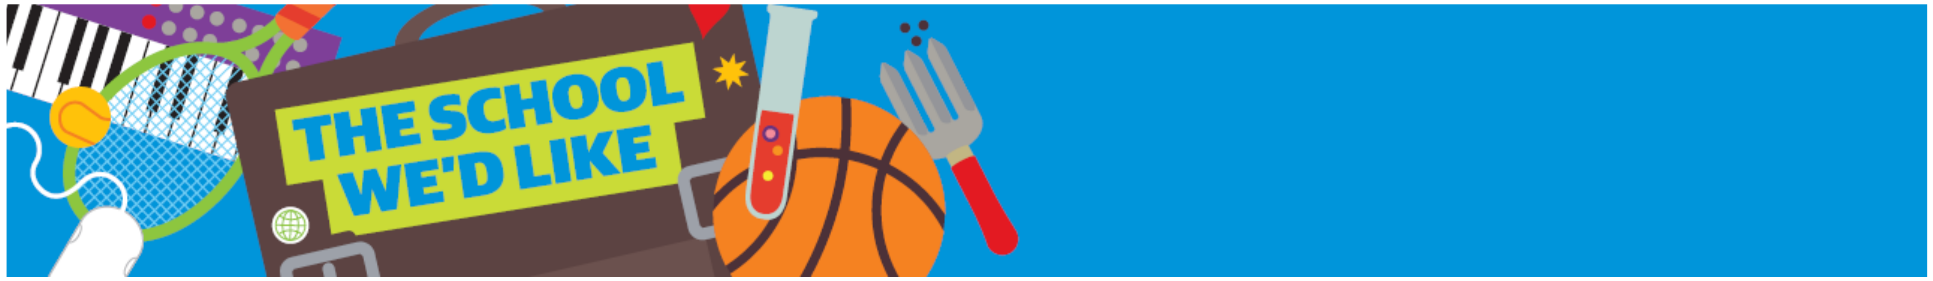

You will work in groups

But first you will need to come up with an idea...

What would make your school better?

How would you spend £5,000?

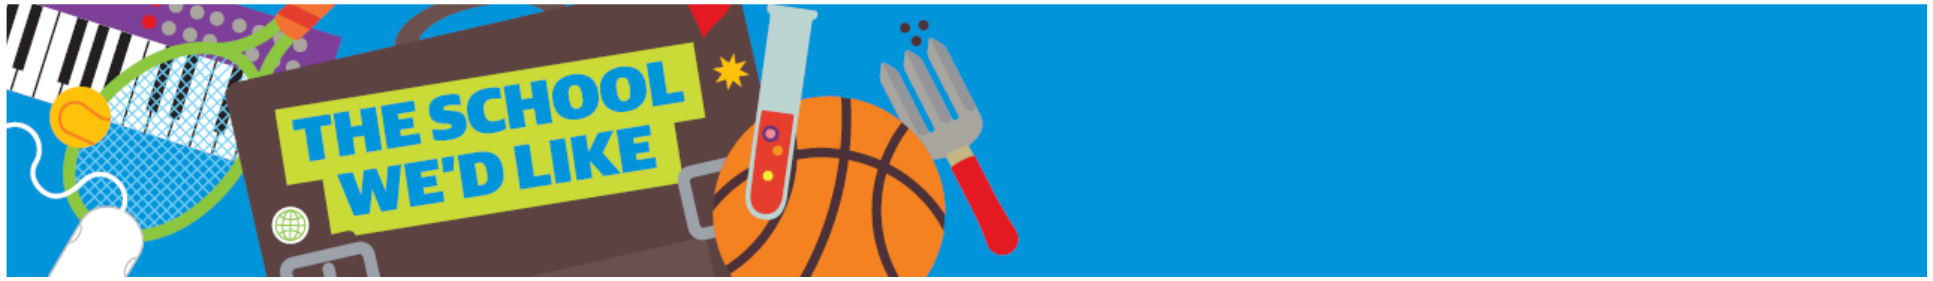

Any ideas yet?

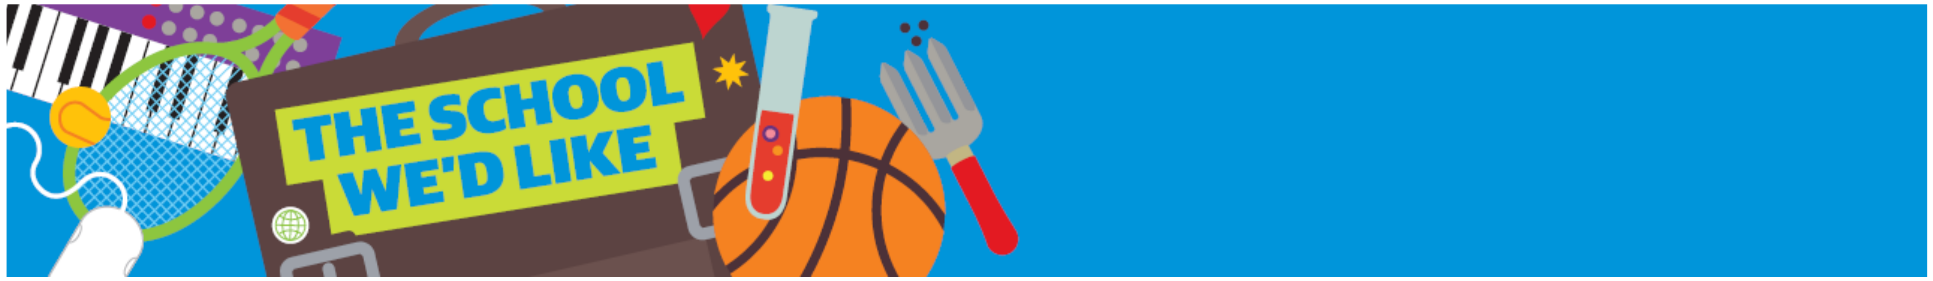

2012 primary school winner:
Horniman Primary, London

2012 secondary school winner:
Salendine Nook High School, Huddersfield,
West Yorkshire

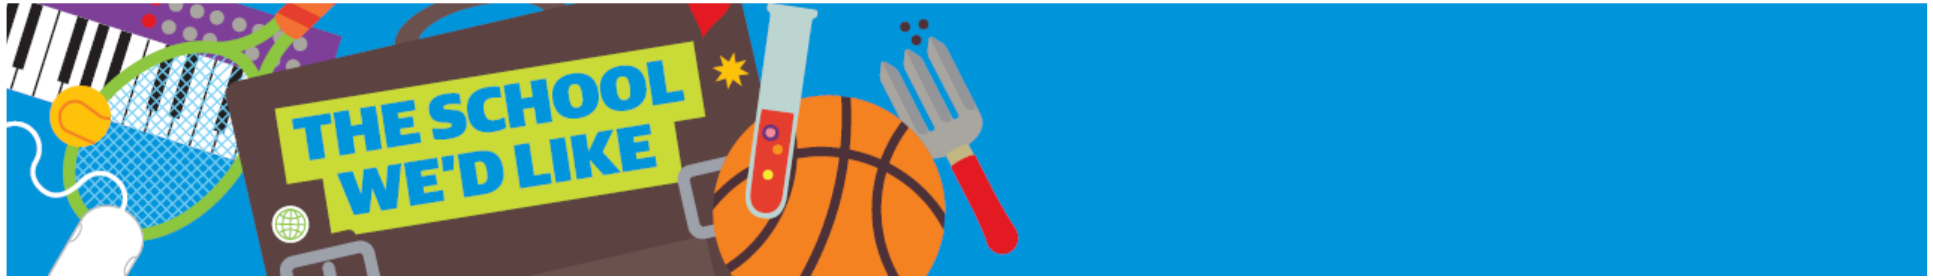

Special school winner:
Ifield school, Gravesend, Kent

So what would improve your school?

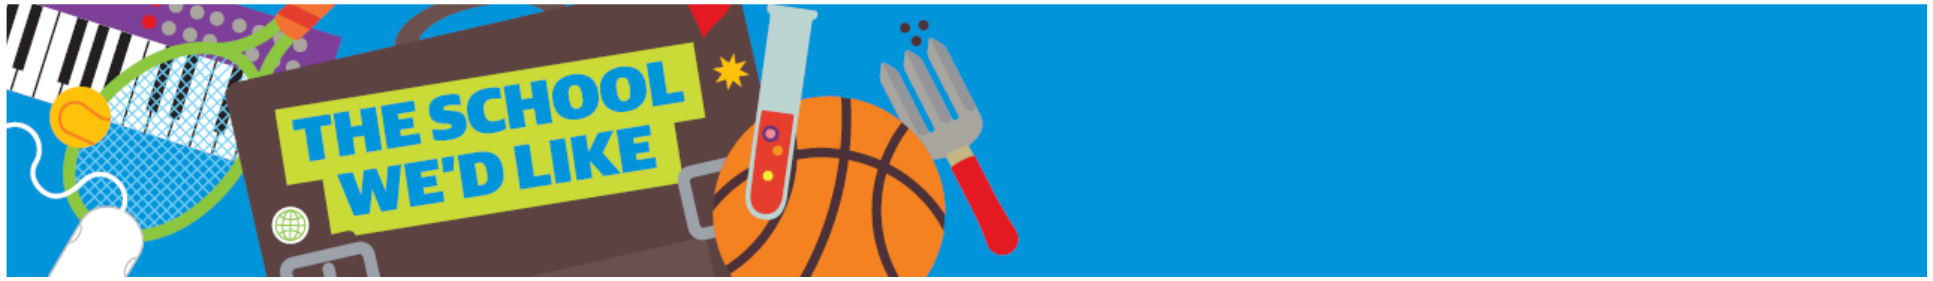

Now it's up to you!

Some of the skills you will need to use will include:

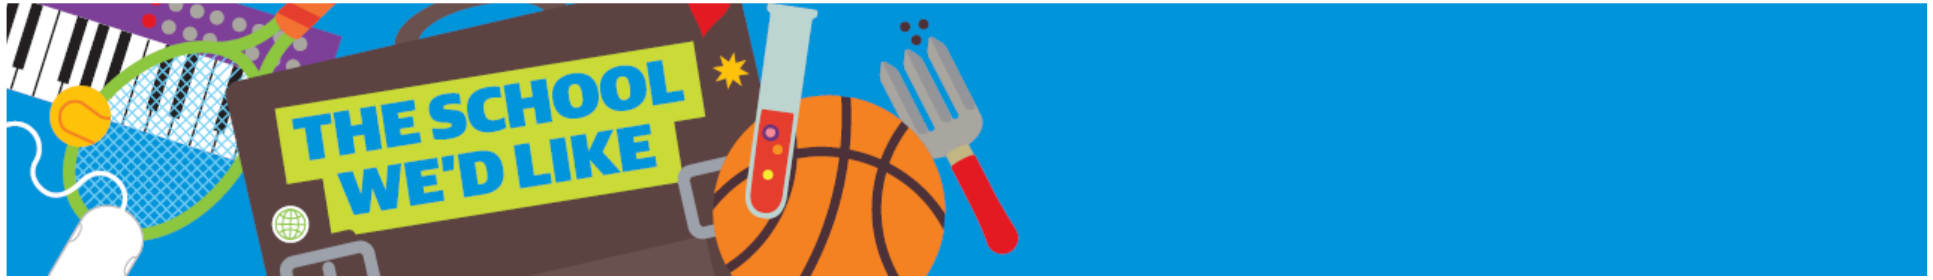

- **brainstorming**
- **pitching ideas**
- **collaborating**
- **gathering feedback**
- **debating and voting**
- **developing a business plan**

Ideas should be original and innovative
but also realistic

Develop your ideas into a plan

- **what the idea is**
- **how the idea was developed with the wider school community**
- **how school life would be improved**
- **who would benefit**
- **and what the long-term impact would be**

Good luck!
