Get ready for Shelf Improvement

You've just picked up a rather exciting package. Because for the next year, you'll be receiving a surprise must-read book through the post, every single month.

You won't know exactly what's coming - that's up to our expert Guardian editors and writers - but you can be sure you'll encounter exciting new voices and topics. And we hope you'll love them all.

There's not long to wait. Your first delivery's on its way.
