Hello MR Clive Palmer.

We are the ones who fled torture, war, prosecution, trauma and That is why we are enduring 15 month of pain, disease and suffering Manus. We've been squeezed by many different policies wthin these month.

Recently we have heared that there is a deal going on betwee your Party and the Liberals. We want to beg you to do something us, to include us in that amnesty as our boatmates in CI.

We are tired of endless and hopeless life of Manus prison.

By the way we would like to request you to do us a big favour and let us know if there is no hope or any chance so t at least we can call an end to our indefinite limbo here because we are tired of living on this unfaithful earth.

With the effort of the young asylum seekers currently held i Manus who are willing to work hard for Australia after gaining their Freedom, you could stop spending milions of dollc on offShore/PNG/Cambodia every year, and instead spend it withi Australia for Australians.

Best regards. Asylum seeker of Australia held in Manus.
